DETAILED ACTION

Election/Restrictions

Elected claims 2, 5, 6, 9-11 and 17 have hereby been allowed.

Based upon this, all the previously non-elected claims are hereby rejoined.

Therefore, claims 1-17 are hereby allowed.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **all previous restriction requirements are hereby withdrawn**. In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Reasons For Allowance

Claims 1-17 have been allowed over the prior art.

The following is an examiner's statement of reasons for allowance: Prior art could not be located that taught a method of making a radiation shielding circuit device comprising an ionizing radiation shielding top coupled to a sidewall coupled to a base,

and an ionizing radiation shielding bottom coupled to the opposite side of the base wherein the ionizing radiation shielding top and bottom are made of a High Z and a low Z material, wherein the low Z material comprises at least Al, Si or Cu.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
